Green Pebble's beautiful, full colour book, 'How Artists See...East Anglian Places', consists of 160 pages displaying 73 art works created, and explained, by 46 leading East Anglian artists. The beautiful images cover views of a wide variety of places, including **the Fens, Southwold and Walberswick, Mersea-on-Sea, the Norfolk coast** and much more. The text reveals the personal relationship these artists have with these special places.

Unlike other art books, this book:

- ✓ **Focuses on East Anglian scenes by *today's* artists**
- ✓ **Is filled with the artist's own stories, told in a captivating way *by the artists themselves***
- ✓ **Is a thoroughly enjoyable read!**

How Artists See East Anglian Places is part of a **new series** aimed at sharing the wealth of art available in East Anglia with art lovers and lovers of East Anglia alike.
